

WCTM gets **Educational Leadership Award**

WCTM has been awarded for its excellence in Education. A country wide survey was conducted by Knowledge Resource and Development Group of IIT to find out the leaders in Technical and Management Education. There were many areas which were covered in the survey. This survey identified those technical and management colleges and universities which are providing Holistic education. It is a matter of pride that **WCTM** was awarded as the best emerging technical institute which is providing holistic education. Our Management College - **KNS World Management College** was also awarded for being the top management college providing holistic education in Haryana region. The awards were presented in function held at IIT Delhi. The chief guest of the function was Ex. Director of IIT Delhi Professor Prem Vrat. The awards were given by Vice Chancellor of Pant University Professor B.S. Bisht and Mr. P.P. Shrivastav, member of North Eastern Council Secretariat, government of India. The awards were received by Director General and Chairman **Dr. Narendra Singh**.
