Agitating farmers start relay fast over 'denial' of compensation

DEPENDER DESWAL

HISAR, MARCH 28
Farmers have started a relay fast at the ongoing dharna being stage at Kheri Jalab village of the Narnaud subdivision in the district today. They are protesting the denial of compensation for cotton farmers after the special girdawari conducted by the Haryana Government.

The farmers of about 18 villages have been staging round-the-clock dharna in the village. These farmers alleged that they were awarded no compensation for the damaged crops in different areas.

Suresh Khoth, a farmer leader, said despite their dharna at the Tehsil office, the government officials have failed to take note of their issues.

"I came to know that the ruling politicians are resorting to pick and choose in allocating compensation to the farmers who had lost kharif crops. This is blatant discrimination at the behest of ruling politicians. We staged a protest of the local JJP MLA Ramkumar Gautam after which he was forced to take up the issue in the Assembly", he said, adding

Farmers stage a dharna at Kheri Jalab village of Hisar district.

AWAITING FULL RELIEF

As per PM Fasal Bima Yojna, I got a relief of ₹19,000 per acre for seven acres. However, no compensation was given for the remaining eight acres. —Shalender Singh, Farmer of KAPRII VILLAGE

that they will intensify the stir in next few days. Rajkumar Rakhi, a khap leader informed that Rakhi Barah khap and Panchgami khap comprising about 18 villages are sitting on dharna in the village. "Opposition party leaders including the Congress, INLD and AAP have also extended their support to the dharna", he informed.

District revenue officer Vijender Bhardwaj informed that after a delegation of farmers met Deputy Chief Minister Dushyant Chautala, the administration formed a committee comprising SDMs of Narnaud and Hisar and the Deputy Director of Agriculture Department to examine the issue raised by farmers.

"As per a special girdawari report, these villages had suffered less than 25 per cent crop loss and thus did not qualify for compensation. But, the committee of SDMs and DDA has been examining the report and also taking feedback from the ground. It is likely to submit a revised report. Further action will be taken on the basis of this report," the DRO said.

Private schools hike transport fee up to 25% in Rohtak, Jhajjar

RAVINDER SAINI

RIISING FUEL PRICES TO BLAME

ROHTAK, MARCH 28
Rising prices of petrol and diesel have started showing their adverse effects with several private schools in Rohtak and Jhajjar district hiking transport fees from 15 to 25 per cent.

The situation has put an extra financial burden on parents who are yet to come out from the losses faced during the Covid times. The admission process in the schools is underway these days.

Interestingly, one of the prominent schools in Jhajjar district, in a whatsapp message sent to the parents, has also maintained that the transport fee to meet their expenses in a situation when the rates of petrol and diesel are increasing on a daily basis. The parents should understand our situation and cooperate with us," said Anshul Pathania, Secretary, Rohtak CBSE School Association.

He maintained that the pandemic took a toll on every section of the society but the hike in transport fee was much lower than the substantial increase in the prices of diesel.

"Already suffering from losses due to the pandemic, private schools have no option but to hike transport and other fees in a situation where the rates of petrol and diesel are increasing on a daily basis."

—Anshul Pathania, Secretary, Rohtak CBSE School Association

Rs 5 per km but they had now enhanced the rate up to Rs 6 per km. Similarly in Jhajjar, transport fee from Rs 800 to Rs 1,200 were being charged from children, sources said.

"Already suffering from huge losses due to the Covid situation in the past two sessions, private schools have no other option but to enhance transport and other fee to meet their expenses in a situation when the rates of petrol and diesel are increasing on a daily basis. The parents should understand our situation and cooperate with us," said Anshul Pathania, Secretary, Rohtak CBSE School Association.

He maintained that the pandemic took a toll on every section of the society but the hike in transport fee was much lower than the substantial increase in the prices of diesel. The diesel prices were

likely to rise considerably in future as well but he had decided not to make any change in the transport fee in the ongoing session, he added.

Jitender Bhardwaj, a parent, said not only the transport fee but tuition and other fee had also been enhanced by private schools, leaving parents in a difficult situation.

A majority of the schools were located away from the city and parents could not drop the children on their own to school hence they would have to pay whatever fee is being charged by the schools, he added.

The District Education Officer of Rohtak, Vijay Luxmi, said a committee had been constituted at the district level to take a decision on complaints about fee structure of private schools.

"Transport fee is optional, not compulsory for students," she added.

Bank employee 'misleads' villager, minister orders FIR

FATEHABAD, MARCH 28

Power and Jail Minister Nanjiv Singh has directed the police to register an FIR against an employee of a branch of IndusInd Bank in Darapur for misleading a villager who came to get a fixed deposit (FD) but was instead issued an insurance policy.

The matter came up for hearing during the meeting of the Public Relations and Grievance Committee at Fatehabad town today. A total of 19 complaints were taken up in the meeting, of which 13 complaints were disposed of while the minister directed to keep six complaints pending and submit them along with the report in the next meeting.

During the hearing, Govind, a resident of Dhani Chanan, alleged that he had given consent for FD to a bank employee, but the employee issued an insurance policy of the Tata company to him without informing him.

During the meeting, the Power Minister said there was sufficient amount of electricity with the state and there would be no shortage of electricity in summer. He directed the Public Health Department to ensure a smooth supply of drinking water during the upcoming summer season. —TNS

BUILDING A NATION, NOT JUST ROADS

Will raise every public issue, says Hooda

AMBALA, MARCH 28

Former Chief Minister Bhupinder Singh Hooda today said Congress would raise every public issue vigorously and the accountability of the government will be fixed. The former Chief Minister, who was on his Panipat visit on Monday, said the BJP had promised to implement the old pension scheme in its manifesto and they must fulfil this promise. He said if the

present government failed to fulfil its promise, the employees will be given the benefit of the old pension scheme when the Congress government is formed.

He met the "Delegates of employees' union/Retiree Welfare Association, Yapur Mandi, ASHA workers and Anganwadi workers, who submitted a memorandum regarding their demands. He promised to take up their demands in the next Assembly session.

Promises to raise demands of various unions in House

Hooda said: "Congress MLAs in the Assembly are ready to raise the issues of the people. The accountability of the government will be fixed on every issue. An example of this has been seen even before the start of the Budget session when the Congress Legislature Party held a meeting and announced to launch an all-out agitation from streets to the House, against the exorbitant increase in 'development fee', the government had to bow down and take back its decision."

"Similarly, the government will have to withdraw the decision to reduce the condition of 15 years for domicile to five years because the change made in the rule is a direct attack on the rights of local Haryanvitis. This will cause huge loss to SC and OBC youth as it will be difficult for them to get the benefits of welfare schemes like jobs, college and university admission, scholarship and ration," he said. — TNS

In Sainik School enrolment, Hry among top three states

VIJAY MOHAN

TRIBUNE NEWS SERVICE

CHANDIGARH, MARCH 28
Haryana is among the top three states in the country which have the highest number of students studying in Sainik Schools that function under the aegis of the Ministry of Defence (MoD).

The strength of the students enrolled in Sainik schools in Haryana is 1,163, according to data placed by the MoD in the Rajya Sabha today. There are two Sainik Schools in the state, located at Kurjipura near Karnal and Rewari.

Karnataka tops the list with 1,274 students studying in Sainik schools, followed by Andhra Pradesh with 1,184 students. Both these states have two Sainik schools each. Uttar Pradesh is the only state to have three Sainik schools, but the total strength of students from this state is only 709, which falls somewhere in the middle of the list.

There are a total of 33 Sainik schools in 24 states and Union Territories across the country, having a total student strength of 17,234. Following a recent shift in policy, all Sainik schools have started admitting girls from the 2021-22 academic session.

The total strength of girls in the 2021-22 session was 320 and for the 2022-23 session, there are 335 vacancies for girls, according to the MoD's statement in Parliament today.

The admission of girls was first started on a pilot basis

in Sainik School Chhingchhing during 2018-19. On the pilot being successful, 10 per cent of vacancies in Class VI or 10 seats, whichever is higher, have been earmarked for girls in all Sainik schools.

Conceived in 1961 and managed by the Sainik Schools Society under the MoD as feeder institutes for the armed forces, these schools take in students at the level of Class VI and prepare them mentally and physically for entry into the National Defence Academy (NDA). These private alumni have attained the highest positions in the armed forces as well as in the civil service.

While 12 new schools will be managed by NGOs, trusts or societies, six are private schools and three are state government-owned schools. Unlike the existing Sainik schools, which are purely residential, seven new schools will be day-boarding.

Recently, the MoD initiated a move to establish 100
